Hello everyone! I am so excited to be serving as AMTAS President this year. I am currently a senior at Loyola University New Orleans and will be beginning my internship later this year. My goals for AMTAS in 2009 are to continue working on communication with the general membership and to increase student involvement, from school organizations to serving at the regional and national levels. We have a great opportunity to learn – we are the future of AMTA! I look forward to seeing everyone in San Diego!

Hello, fellow music therapy students. I am from University of Missouri-Kansas City, and this will be my second term serving as AMTAS Vice President. My project this year will be to create a new, more interactive website, with our own hosting space, at [www.amtas.org](http://www.amtas.org). Look for it coming in the Spring!

Greetings! I am a junior at California State University Northridge, serving as both WRAMTAS President and AMTAS-President-Elect. Student involvement in AMTA standing committees is a great way to represent both AMTAS and get involved in the professional association. I encourage anybody who is interested in serving to contact me for more information. Hope to see you in San Diego!

Hello Music Therapy Students! I am a graduate student at the University of Iowa, and I am currently serving as the AMTAS Secretary as well as the student Vice President for the Midwestern Region. I am really looking forward to being involved in AMTAS and the Music Therapy community at a national level. If you haven't already, please look into joining the AMTAS group on Facebook for updates and conference information!

Hello everyone! I am happy to serve as the 2009 AMTAS Parliamentarian. Currently, I am in my last semester at Montclair State University in NJ, looking forward to starting my internship. I am also the current President of MARAMTS. It is my job as Parliamentarian to review our bylaws and to make sure they are up to date with how our organization is run and how it fits into the AMTA. If you have any questions about the ins and outs of AMTAS, please feel free to email me at [amtas.parliamentarian@gmail.com](mailto:amtas.parliamentarian@gmail.com). I look forward to seeing you at this year's National Conference.
