National Passages Conference

FALL 2018

Thursday, November 15 1:00 P.M. – 6:15 P.M.
Reunion A, Reunion B
American Music Therapy Association Students

WELCOME

With the goal of further providing extensive and meaningful resources for music therapy students nationwide, the American Music Therapy Association for Students in collaboration with the Student Affairs Advisory Board and the American Music Therapy Association at National Conference present the following opportunities:

Masterclass Project

In this, students will be given a front row seat to the internship interview process.

Professionals from the field will provide live feedback to student and intern volunteers while also providing forum for audience members to pose questions and further their understanding of interview processes.

Breakout Passages Presentations

To provide students and young professionals with a platform to demonstrate their professional and academic aptitudes so as to allow for the exceptional insights of some of the youngest members of the music therapy community to be heard.

PROGRAM

Masterclass Project, *Reunion A*

1:00pm – 2:45pm
